

**B-LOCK™**

## FEATURES / BENEFITS

- 
- A close-up photograph of a B-Lock B-1000 carabiner. The carabiner is a dark, metallic, D-shaped component with a textured surface. It features a large, circular locking mechanism in the center and a smaller, circular hole on the left side. The text "B-Lock" is embossed in large letters, with "B-1000" below it. A small, stylized logo is visible on the right side. The carabiner is attached to a thick, braided rope.
